MERCEDES-BENZ W124

A CLASS ON ITS OWN

by Heribert Hofner, Tobias Zoporowski & Stefan Commertz

CONTENT:

After HEEL has published the ultimate book on one of the definitely most popular Mercedes-Benz model ranges in 2014, this revised and extended update will leave no question open and will clearly mark the state of the art regarding the W 124 models.

This well-researched and beautifully illustrated book, with a large number of fantastic (and previously unpublished) pictures, depicts the complete development history. It further contains a detailed data section with information on the model, engine, transmission, frame and chassis, dimensions and weight, performance data, unit numbers and purchase price at the time of release.

A great gift for the ever growing group of enthusiasts of this impeccable model range!
